**SUBJECT: Model 171.456, up to VIN F018283
 Seat Belt Latch Stop**

If you receive customer reports in the above model vehicle that the seat belt latch stop on the seat belt is missing on one side, the belt stop can be retrofitted. To resolve, position belt stop, part number indicated below, on seat belt missing the stop and close stop. After installing the stop, it is not possible to remove without damaging.

Parts Information

Qty.	Part Name	Part Number
1	Belt stop	A171 868 00 87 **

*****Parts are in a critical supply situation and will be limited, please see the PAC weekly status report on parts availability status and delivery expectations. This report is located on the PAC website.***
